Privacy Policy | Terms & Conditions | NDA | KYC Protocols

*This document contains the official binding protocols for all verified members and applicants of
Primer's Zest. Strict adherence is mandatory.*

I. PRIVACY POLICY & DATA MINIMIZATION

Primer's Zest operates under an extreme data-minimization framework. We do not sell, share, or broker your data to any third party. The information gathered during your verification process is securely encrypted and stored entirely offline in an air-gapped vault.

1. DATA COLLECTION

We collect only what is strictly required to verify your identity, process your membership dues, and maintain the safety of the club.

2. COMMUNICATION ENCRYPTION

All internal communications, chat rooms, and direct messages between members or stars are end-to-end encrypted. We do not monitor private conversations unless a dispute is formally reported.

3. DIGITAL FOOTPRINT

You hold the right to 'The Right to be Forgotten'. Upon membership termination, all identifying data - including uploaded IDs and photos - will be permanently purged from our servers within 24 hours.

II. TERMS & CONDITIONS OF MEMBERSHIP

Membership to Primer's Zest is an exclusive privilege granted solely at the discretion of the executive administration.

1. CODE OF CONDUCT

Members must adhere to the official Member Handbook. Disrespect, breach of consent, or unauthorized photography at any club event will result in immediate and permanent revocation of your membership without refund.

2. FINANCIAL COMMITMENTS

Membership dues and event fees are non-refundable. Chargebacks or payment disputes will lead to immediate expulsion and blacklisting.

3. AGE & ELIGIBILITY

You must be 30 years of age or older to participate as a VIP member. Falsifying your age during KYC will result in permanent denial of service.

III. NON-DISCLOSURE AGREEMENT (NDA)

By accepting membership, you enter into a legally binding Non-Disclosure Agreement (NDA) with Primer's Zest and all of its verified members.

1. ABSOLUTE DISCRETION

You may not disclose the identity, profession, or presence of any member you encounter on the platform or at a private event to any external party, including media, spouses, or colleagues.

2. PROHIBITION OF RECORDINGS

No audio, video, or photographic recording is permitted at any official gathering. Devices will be confiscated and securely stored upon entry.

3. LIABILITIES

Breach of this NDA may result in civil litigation to recover damages on behalf of the club or the exposed member. Anonymity is our highest law.

IV. KYC (KNOW YOUR CLIENT) EXPLAINER

We require KYC identity verification for all incoming members. While our platform is rooted in anonymity between members, the administration must know precisely who is in the room.

WHY WE DO THIS:

1. Safety: To ensure there are no bad actors, scammers, or malicious individuals infiltrating the sanctuary.
2. Legality: To remain compliant with strict anti-money laundering (AML) and 18 U.S.C. 2257 laws.
3. Exclusivity: To verify that you meet the age (30+) and professional criteria required for membership.

HOW IT WORKS:

You will be asked to provide a government-issued ID alongside a selfie holding that ID. This verification is processed by our dedicated compliance team. Once verified, your uploaded documents are hashed and removed from active databases to protect your privacy.
